REPLY TO DEPARTMENT OF
INTERIOR'S RESPONSE RE: MOTION
FOR ORDER OVERRULING OBJECTIONS
BY THE DEPARTMENT OF THE
INTERIOR TO SUBPOENA DUCES
TECUM AND COMPELLING
PRODUCTION OF SUBPOENAED
DOCUMENTS

23 Sacramento Valley Water Users ("SVWU") submit this reply pursuant to the SWRCB's
24 August 8, 2017 ruling, which set a schedule for SVWU and Department of the Interior ("DOI")
25 to file papers related to SVWU's pending motion concerning the subpoena issued to DOI.

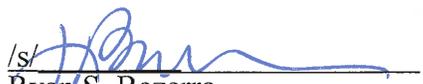

26 DOI has informed us that the documents that it has that are responsive to the subpoena
27 have been uploaded to the FTP site (consistent with the email response filed by the Solicitor on
28 August 9). SVWU appreciates the cooperation of the Solicitor's Office in making a good faith
effort to work through the issues in dispute.

Although SVWU has only preliminarily reviewed the documents DOI has uploaded, it
appears there may be technical issues with some of the documents. In the next few days,
SVWU will review the documents more thoroughly to identify the scope of any technical

1 glitches, and to confirm that the contents are responsive to the requests in the subpoena.
2 SVWU anticipates that it will work with DOI to try to resolve any technical issues, and we will
3 notify the SWRCB should we see a need for any further action on its part, though we do not
4 anticipate that outcome at this time.
